Quick Facts

Early College Academy Description

The Early College Academy, co-located at Cecil College and Oxford Area High School, will enroll students beginning in grade 9. Successful students will complete high school with a high school diploma and an Associate's Degree from Cecil College. Each year up to 25 students are selected for admission to the Academy. Prior to their freshman year, Academy students will participate in an Orientation Program to introduce them to academic expectations and resources available to them during their four years in the Academy. Throughout their enrollment, students are supported by tutors, mentors, and advisors from Oxford and Cecil College. While taking classes, students are guided through seminars and individualized advising to help them build the academic skills needed to succeed in high school and college coursework.

Admission Process

Each eighth-grade student entering the Early College Academy must complete the admissions process by **June 2nd**. They will submit application materials to the Dual Enrollment Coordinator or to the middle school guidance counselor. Application materials are reviewed and evaluated by administrators of Cecil College. Students are contacted by mid-June to confirm their admission to the Academy.
