YOUR FINANCIAL AID OFFER & REQUIREMENTS

Check your TUsail, Next Steps and Costs and Aid tab of TUportal often for any financial aid requirements.

You may have additional requirements you need to submit to SFS to finalize your financial aid. If additional documentation is required, click on the requirement listed under the Student Financial Services section of the Cost and Aid tab of TU Pay (pictured below). Additional documentation required can include:

- Federal Verification documentation (2021 Federal IRS Tax Return Transcripts, Statement of Non-filing, 2021 W-2 forms, Verification form, etc.)
- Confirmation of citizenship, proof of high school completion, etc.

Financial Aid Requirements should be reviewed and completed by clicking on the requirement to log into the SFS Dashboard (<https://temple.studentforms.com/>). Students will be prompted to verify their identity the first time they log-in. After that, you simply enter the dashboard by logging into TUportal. Google Chrome is the recommended browser for using TUportal and SFS dashboard.

The Costs and Aid tab within the TUportal includes

information on estimating the cost to attend the upcoming 2023- 2024 academic year, the TUpay system, and pertinent information regarding your financial aid.

cost of attendance

Financial aid is offered based on a student's estimated cost of attendance (COA) budget for nine months. These budgets include modest, but adequate, expense patterns of Temple students. While individual expenses vary based on lifestyle, average costs are helpful in budget planning.

The table below is meant to provide a better understanding of financial aid cost of attendance budgets. Below are the allowances used in the 2022-23 financial aid budget for two Temple University programs (College of Liberal Arts & Fox School of Business and Management) and do not represent direct costs. Actual tuition is set in July 2023.

For more information, see: <https://sfs.temple.edu/eligibility/your-financial-aid-offer/financial-need>.

School/College	College of Liberal Arts	Fox School of Business	College of Liberal Arts	Fox School of Business
Residency	PA Resident	PA Resident	Non Resident	Non Resident
Tuition and Fees	\$17,598	\$22,446	\$31,326	\$40,494
Housing and Food	\$15,648	\$15,648	\$15,648	\$15,648
Books and Supplies	\$1,526	\$1,526	\$1,526	\$1,526
Other	\$4,536	\$4,536	\$4,536	\$4,536
Total	\$39,308/year	\$44,156/year	\$53,036/year	\$62,204/year

1. These are tuition and fees estimates. Tuition and fees may be higher or lower, depending on a student's program of study; current full- and part-time tuition rates for all Temple University schools and colleges are available on the Bursar's web-site, <https://bursar.temple.edu/tuition-and-fees/tuition-rates>
2. The housing and meal plan rate is based on the average. The estimated housing and meal allowance total for a commuting student is \$2,842/year.
3. The Office of Student Financial Services does not have sufficient funding to meet a student's full demonstrated need. Other options to cover costs may be through outside scholarships, or resources from private sources. Families will also consider the Federal Direct Parent Loan for Undergrad Students Loan and the private alternative educational loan.

TUITION AND FEES

Rates are listed based on full-time enrollment, defined as 12-18 undergraduate credits. Students choosing fewer than 12 credit hours are charged on a per-credit-basis, while those electing more than 18 credits must pay for additional hours.

Rates vary based on school/college. Official tuition and fee rates are published by the Office of the Bursar, <https://bursar.temple.edu/tuition-and-fees/tuition-rates>

Full-time enrollment for graduate students is 9 credits per term.

BOOKS AND SUPPLIES

Costs vary by program, course load, and class selection. Students can check with their academic program for costs specific to their courses. Students have the option to buy books new, used books, rent books, or utilizing the University's library system to keep costs low.

OTHER

This allowance represents other student expenses not listed including: transportation, loan fees, cell phones, clothing, personal hygiene items, and entertainment. This will vary among students, the financial aid budget is allowing for about \$96 per week.

HOUSING AND MEALS

Living on-campus: Budget component is based on the average; direct costs vary based on selection from University Housing. Housing and meal plan options are listed at: <https://housing.temple.edu/housing-and-dining-costs>.

Living off-campus: Budget component allows for rent, utilities, and food costs up to the estimated amount for students on-campus. Costs will depend on a student's choice of housing and lifestyle. We recommend students consider off-campus options carefully. Most off-campus leases are 12 months, but Temple's on-campus options are 9 months.

Commuting: Students that live at home or with relatives have a reduced allowance in the budget of \$2,842/year.

SPECIFIC PROGRAM INFORMATION

Students can find the 2023-24 Cost of Attendance budget for their specific program listed on the Financial Aid Offer in [TUportal](#).

understanding YOUR STUDENT ACCOUNT BALANCE

WHEN IS THE FALL 2023 BALANCE AVAILABLE?

Your university student account balance is maintained by the Bursar's office, which notifies students by email when there is a balance due available to view on TUpay.

Your accepted financial aid for the semester will be applied directly to your charges. Student Financial Services will begin to disburse financial aid two business days prior to the official start of the semester. Any credit balance available after aid is applied to your account balance will be released as a refund.

Students must be registered to receive an account balance notification for the semester. Incoming students will register for their courses during orientation. Fall 2023 balances will be released **July 24, 2023**. Students will receive an email notification once charges are available on TUpay. Students can find a link to TUpay after they log into TUportal and click on the Costs and Aid tab. Once a student logs into TUpay, they can review current semester charges by clicking on the 'View and Pay Accounts' tab. Students can also download a 'Printable Account Statement,' which is an option under the Costs and Aid tab.

PAYMENT PLAN OPTIONS

Deferred Payment Plan: For the fall and spring semesters, students that do not pay the total account balance by the first balance due date will be automatically enrolled in the University's Deferred Payment Plan. This plan provides additional time to pay your balance by extending the due date to the final due date for the semester. Students will be assessed a \$50 non-refundable payment plan fee each semester to defer payment until the final due date. Students do not have to sign up for this payment plan.

Temple Installment Payment Plan: TIPP is an interest-free pre-payment plan administered on behalf of the University by Nelnet Campus Commerce. The plan allows Temple students to make up to ten regularly scheduled monthly payments starting in May towards their future charges (five payments for fall and five payments for spring). Payments are made directly to Nelnet by check, preauthorized debit, or credit card. Credit card payments are subject to a convenience fee of 2.75%. Contact the Bursar's Office for more information, <https://bursar.temple.edu/>.

ANTICIPATED AID

Because the initial account balance for a semester is listed before financial aid for the semester is disbursed, there will be a section on TUpay for 'Anticipated Aid.' The Anticipated Aid section includes any financial aid funds assumed to credit to your account based on your financial aid offer.

Disbursement of financial aid for the semester typically begins two business days prior to the official start date of the semester. When the financial aid is officially credited to your account, it will be removed from the Anticipated Aid section and be listed as a credit.

Note: Anticipated aid can display financial aid that is pending due to outstanding requirements. Make sure you are checking the Costs and Aid tab in TUportal for incomplete requirements. Incomplete financial aid requirements will prevent financial aid from crediting to a student's account.

ANTICIPATED AID EXCEPTIONS

Some sources of aid will not appear on TU Pay as anticipated aid until the funding is actually received by Temple University. This includes private scholarships or thirdparty billing credits. Any federal PLUS loan funding or private student loan funding will not appear as anticipated aid until the application is certified by SFS.

ADD AN AUTHORIZED PAYER

An Authorized Payer has access to the same information in TUpay as the student and receives an e-mail notification each time a balance due email notification is sent for the student. An Authorized Payer can review the student account in TUpay as well as make an online payment. To add an Authorized Payer:

- Log into TUpay
- Select "Authorize Payers"
- Click the "Add New" button
- Enter the Authorized Payers' name and e-mail address and click "Save"
- The Authorized Payer will receive an email with login instructions

Note: Credit card payments through TUpay add a 2.75% non-refundable convenience fee. There are no additional fees for electronic check payments.

For more information on the payment methods, payment plan options, and billing due date schedule, visit bursar.temple.edu.

scholarships

ACADEMIC MERIT SCHOLARSHIP: FIRST YEAR STUDENTS

Temple University merit scholarships (awarded upon admission) will renew for four academic years (8 consecutive regular semesters) as long as the following conditions are met:

- Maintain consecutive full-time enrollment (full time status is 12 credits)
- Maintain academic eligibility

SCHOLARSHIP TYPES

President and Provost's Scholarships: Guaranteed for first four consecutive full-time semesters, at the end of which a 3.25 cumulative GPA must be achieved and maintained in order to renew the scholarship annually.

All others: Guaranteed for first four consecutive semesters, at the end of which a 3.00 cumulative GPA must be achieved and maintained in order to renew the scholarship annually.

AFTER THE FIRST YEAR AT TEMPLE, HOW DO STUDENTS APPLY FOR ADDITIONAL SCHOLARSHIPS?

Students can contact their academic advising and dean's offices for available scholarship opportunities after their first term of enrollment.

SCHOLARSHIP UNIVERSE SEARCH TOOL

Students can also review the scholarship search through Scholarship Universe for outside scholarship opportunities. Students can access the database by clicking on the "Apply for Scholarships" link within the Costs and Aid tab of TUportal. Students can also access Scholarship Universe directly via <http://temple.scholarshipuniverse.com>

ACADEMIC MERIT SCHOLARSHIP: TRANSFER STUDENTS

Transfer merit scholarships (awarded upon admission) will renew for three academic years (6 consecutive regular semesters) as long as the following conditions are met:

- Maintain consecutive full-time enrollment
**Note: Dual Admission recipients may receive half of their award if enrolled at least part-time (6-11 credits)*
- Maintain academic eligibility: A 3.00 cumulative GPA must be achieved and maintained in order to renew the scholarship annually

More information on Academic Merit scholarship policy is listed at sfs.temple.edu/policies/academic-merit-scholarships. Summer classes may be taken in the immediate available session at Temple University to reestablish the cumulative GPA requirement.

outside scholarships

CAN MY OUTSIDE SCHOLARSHIP AFFECT MY CURRENT FINANCIAL AID?

Under Federal financial aid regulation, all outside scholarship received must be taken into account when determining eligibility for need-based financial aid and loans. Students must report all anticipated outside scholarships and any other outside financial resources to the Student Financial Services office (sfs@temple.edu). Outside scholarship awards may result in a reduction to eligibility for other financial aid and/or loans.

Outside aid will first be used to cover unmet financial need as calculated from the institutional cost of attendance, less the family contribution, and less all financial aid. If unmet need has been exhausted, adjustments to federal student loans, work study, and/or grants will be made as necessary.

Requests for verification of financial need or cost of attendance for outside scholarship purposes only, can be sent to the Student Financial Services office attention "Outside Scholarships" via sfs@temple.edu. Be sure to include the student's name and Temple University ID number on all correspondence.

HOW DO I GET MY OUTSIDE SCHOLARSHIP MONEY?

This depends on the scholarship. Check with the organization to see if they will send the funding directly to the school, or if it is sent directly to the student as a check. Make sure all requirements needed to send the scholarship funding are complete.

OUTSIDE SCHOLARSHIP CHECKS

All outside scholarship checks should be made payable to Temple University and mailed to Outside Scholarship Payment Processing (address below). The student's full name and Temple University ID number must be included in the memo section of the check. If a check is made payable to the student and Temple University, the student must endorse the check before it can be deposited and credited to the account.

Mail checks to:

Temple University Bursar's Office

Attn: Outside Scholarship Payment Processing

HOW CAN I FIND MORE INFORMATION ON OUTSIDE SCHOLARSHIPS?

Check out these free sources of scholarship information:

- A high school or TRIO counselor
- The U.S. Department of Labor's FREE Scholarship search tool
- Federal agencies
- Your state grant agency
- Your library's reference section
- Foundations, religious or community organizations, local businesses, or civic groups
- Organizations (including professional associations) related to your field of interest
- Ethnicity-based organizations
- Your employer or your parents' employers

*Please exercise caution when applying to outside scholarships. Do not pay or provide sensitive personal information to any online financial aid service.

loan borrowing options

A financial aid offer will include the maximum annual Federal Direct Loan eligibility for a student. A loan is money you borrow and must pay back with interest. Some loans are need-based; others are available to any enrolled student eligible for federal student aid. Borrowing can be costly. We recommend you consider borrowing only if you have exhausted all other options and only borrow what you need. Make a budget for yourself to keep your debt within manageable limits.

SUBSIDIZED FEDERAL DIRECT LOAN

Federal student loan awarded to students with need. Need is defined as a student's Cost of Attendance minus the Expected Family Contribution, as well as any other financial aid awarded. The US Department of Education will pay the interest on a subsidized loan while you are enrolled in at least half-time status.

UNSUBSIDIZED FEDERAL DIRECT LOAN

Federal student loan that does begin to accrue interest when disbursed. Accumulated interest is capitalized (added to the principal amount of the loan) once the loan repayment period begins. Students have the option to pay the interest while still in school.

Both the subsidized and unsubsidized loan require students to file a FAFSA to determine eligibility. Congress sets the interest rate for the subsidized and unsubsidized loans for undergraduate and graduate students for each academic year. For more information on the loan terms, visit <https://studentaid.gov/understand-aid/types/loans>.

FEDERAL PARENT LOAN FOR UNDERGRAD STUDENTS (PLUS)

Direct PLUS Loan is an option for parents of dependent undergraduate students to help pay for education expenses not covered by other financial aid. The borrower is the parent, and responsibility is not transferred to the student's name. A separate online application is required (and a credit check). Parents can apply through <https://studentaid.gov>. Interest rates for the Parent PLUS loan are determined by Congress each year. There is also a 4.228% origination fee taken out of the loan at disbursement. For more information regarding PLUS loans, visit <https://sfs.temple.edu/financial-aid-types/federal-student-loans>.

PLUS loans will be certified with equal disbursements for fall and spring terms, so be sure to plan accordingly. The certified loan application amount will be split between the Fall and Spring semesters. The SFS Office will begin posting processed Parent PLUS loans to student accounts in July. Parents must reapply for these loans each year.

If a parent is denied the Parent PLUS loan, the parent can pursue an Endorser (similar to a co-signer), or elect to increase their student's unsubsidized loan by a \$4000 to \$5000 depending on the student's grade level. Students requesting an increase based on a PLUS denial can complete the Undergraduate Federal Student Loan Change Request form (located under <https://temple.studentforms.com/>) and submit to SFS.

PRIVATE ALTERNATIVE LOANS

Private alternative loans are managed through private lenders, issued in the student's name, and may require a credit-worthy co-signer. Eligibility, rates, terms, and conditions vary. Student Financial Services cannot recommend specific private loan lenders per federal regulation.

If you are looking to borrow a private student loan, make sure you research the interest rates offered, any fees associated with the loan terms, and repayment plan options. Private loans are also certified for the full year (certified loans will be split between the Fall and Spring semesters).

For more information on private student loans, you can visit <https://sfs.temple.edu/financial-aid-types/private-student-loans>.

Student Financial Services will begin to certify 2023-24 federal Parent PLUS loan applications or private loan applications in **July 2023**. Students and parents can apply for additional PLUS or private loan funding beginning in May.

loan borrowing limits

HOW MUCH CAN STUDENTS BORROW?

	Undergraduate Students Subsidized and Unsubsidized			
	Dependent Student		Independent Student	
	Annual Limit	Max Subsidized	Annual Limit	Max Subsidized
Freshman	\$5,500	\$3,500	\$9,500	\$3,500
Sophomore	\$6,500	\$4,500	\$10,500	\$4,500
Junior/Senior	\$7,500	\$5,500	\$12,500	\$5,500
Total Loan Debt Limit	\$31,000	\$23,000	\$57,500	\$23,000

PARENT PLUS LOAN AND PRIVATE STUDENT LOAN LIMITS

Applicants may borrow up to the amount of the student's cost of attendance, minus any other financial aid received. There is no total aggregate limit of the Direct PLUS loan, as long as the student is within their cost of attendance. Private lenders may have an aggregate limit on the total amount a student can borrow from the specific lender. Students should ask their lender for any borrowing limits through the lender.

HOW TO CALCULATE PLUS/PRIVATE LOAN ELIGIBILITY

\$39,308	Cost of Attendance Budget (based on Fall 2022 & Spring 2023)
- \$13,625	Total Financial Aid for Fall and Spring semesters
= \$25,683	PLUS or PRIVATE Loan Eligibility

1. Students can find their estimated Cost of Attendance on their Financial Aid Offer Summary.
2. Financial Aid offered is located on the 'Accept Award Offer' tab of the Financial Aid section of Self-Service Banner. Students should include any third party payments or outside scholarships in the calculation of total financial aid.

student employment

Federal Work Study Employment allows students to work up to 20 hours per week (in the fall or spring semesters) while attending college to earn a paycheck that will help defray college costs. Students must submit a FAFSA and meet federal student aid requirements to be considered for work study. Work study is offered to students with financial need.

If you have work study listed on your financial aid offer, you qualify to interview for work study jobs listed on the careers@temple link (located on TUportal) or through the Off-Campus Work Study Job Bank (located on <https://sfs.temple.edu/financial-aid-types/federal-work-study/campus-fws-job-bank>). If you have questions on whether you qualify for work study, email wkstudy@temple.edu.

Work-Study students are some of the most highly sought after employees because federal funding covers a portion of their wages, while the employers pay the remaining amount.

IS THERE SUMMER WORK-STUDY?

Students who have used Work Study during Fall/Spring and are registered for Summer session will be reviewed for a Summer grant. Students who are not attending Summer but are pre-registered for Fall should contact SFS at the end of April to be reviewed for Summer Work Study. Students working during the Summer are required to have a valid FAFSA for the upcoming academic year. The last date to work during Summer is the last day of finals for that semester.

For Work Study Frequently Asked Questions visit:

<https://sfs.temple.edu/financial-aid-types/federal-work-study>

financial aid

TERMS AND CONDITIONS

CHANGES TO ENROLLMENT

- Your financial aid is based on expected full time enrollment (Undergraduate: 12 credits/semester). Before you change your enrollment status, please review any potential impact with a SFS counselor.
- Changes in housing status may affect your financial aid award. It is important you notify SFS of any housing change.
- Some scholarships require full-time enrollment before disbursement.
- Wait-listed classes, not-for-credit classes and audited classes do not count towards enrollment.
- Aid will be adjusted for students enrolled less than full time after the add/drop deadline.

REDUCING ENROLLMENT

- SFS will monitor enrollment levels each term. If you drop courses and fall below minimum credit hour requirements, you may have to repay all or part of your aid. Consult with a financial aid counselor before you drop or withdraw from a course.

ADDITIONAL FUNDING SOURCES

- Report additional funding sources not listed on your offer (any Tuition Remission, additional academic scholarships, outside scholarships or grants) to SFS. Your financial aid offer could change based on additional funding. You will be notified via your TUmial account when a revised aid offer is available.

USE OF FUNDS

- You may use your financial aid funds only for education expenses incurred for the 2023-24 academic year. Some scholarships may be for tuition only.
- Funds are applied directly to charges on the student account (including tuition, fees, and Temple housing).
- Excess funds are released to you in the form of a refund. Any subsequent changes are your responsibility.
- Financial aid for a specific term may only be used to pay for charges for that term, not to pay prior term balances.

WITHDRAWAL FROM THE UNIVERSITY

- If you choose to withdraw, inform SFS immediately. If you have received financial aid funding, depending on when you withdraw, you may be required to repay all or part of your aid. This applies to any situation where a student has not earned any credits for a semester.

PREVIOUSLY RECEIVED TITLE IV FUNDING

- Students cannot be in default of any federal loans, or owe any refunds of federal grants from postsecondary institutions.

COMPLETE ALL REQUIREMENTS

- Students can find any financial aid requirements listed in the SFS Section of the Costs and Aid tab. Financial aid will NOT disburse until all requirements have been satisfied.
- For more information on financial aid requirements, visit <https://sfs.temple.edu/eligibility/eligibility-requirements/federal-verification>.

MAINTAIN SATISFACTORY ACADEMIC PROGRESS

- Academic records are reviewed at the end of every semester to determine current academic progress. Future eligibility for financial aid is based on maintaining satisfactory academic progress. For more information, please visit <https://sfs.temple.edu/policies/satisfactory-academic-progress-sap>. We encourage students to review their individual situation with our counseling staff if you are unsure of your academic progress status.

LOANS

- The Federal Direct Student Loan included in the aid offer is a calculation of eligibility based on information supplied on FAFSA. If you qualify (based on need) for a Subsidized Loan, the government will pay the interest on the loan while you are in school, during grace periods and during any deferment periods. You are responsible for paying all of the interest that accrues on an Unsubsidized Federal Student Loan. The amount of Federal Student Loan eligibility on your aid offer will be in offered status to allow the choice to accept, reduce or decline.
- New Federal Student Loan borrowers must complete a Master Promissory Note and an Entrance Counseling online, <https://studentaid.gov>, in order for loan funds to be disbursed to the student account.
- If you wish to reduce the amount of your accepted Student Loan, please complete the Undergraduate Federal Loan Change Request Form. The form can be found on our forms website <https://temple.studentforms.com>.
- Any loan funding, including Parent PLUS loan and private student loan funding, will be split evenly between the fall and spring semesters. Please review <https://sfs.temple.edu/financial-aid-types/educational-loans> for more information on Temple's loan policy.

gift aid

- **Federal Pell Grant:** For undergraduate students pursuing a first bachelor's degree. The Pell grant is based on a student's Expected Family Contribution calculated by the FAFSA. The amount is determined by the US Department of Education.
- **Pennsylvania State Grant:** PA State grants are awarded to undergraduate Pennsylvania residents pursuing their first bachelor's degree. You must maintain academic progress annually by completing at least 24 new credits for full-time students and at least 12 new credits for half-time enrollment. Award amounts are determined by Pennsylvania Higher Education Assistance Agency Grant Division, more information at pheaa.org.
- **Non-PA State Grants:** Students from Connecticut, Delaware, District of Columbia, Massachusetts, Vermont, & West Virginia may qualify for a grant that can be used at Temple. Contact your home State Grant Agency for more info.
- **Temple University Grant and the Fly in Four Grant** are awarded to full-time, degree-seeking undergraduate students (12 or more credits per semester) who are pursuing a first bachelor's degree, demonstrate financial need, and file their annual FAFSA by Temple University's priority deadline. Students may receive a maximum of 8 full-time semesters.
- **Federal Supplemental Educational Opportunity Grant (FSEOG)** is offered to some degree-seeking undergraduate students pursuing a first bachelor's degree, with priority given to students with exceptional financial need. Funding is very limited.
- **Federal Work Study (FWS)** is awarded to degree-seeking students enrolled at least half-time who have financial need. Students are responsible to secure employment through regular application methods. FWS awards are NOT credited to your University account.

how will my financial aid be disbursed?

WHEN WILL I RECEIVE MY AID?

Financial aid funding begins to disburse to enrolled student accounts two days prior to the start of the semester.

Financial aid must meet the following criteria to disburse:

- Completed all financial aid requirements listed on TUportal.
- Enrolled in at least half-time status or full-time status depending on the type of aid.
- Complete the Master Promissory Note (MPN) and Entrance Counseling requirements through studentaid.gov. This is necessary for federal student loans, including PLUS loans, to disburse.

Disbursement dates for the academic year can be found under the 'Disbursement of Financial Aid' section of <https://sfs.temple.edu/policies/disbursement>.

HOW WILL MY FINANCIAL AID BE APPLIED?

Directly applied to your university student billing account: Grants, scholarships, and loans administered by SFS are first applied to your student account balance to pay tuition, fees, Temple housing, or any Temple meal plan.

Financial Aid Refunds: If financial aid exceeds the account charges, students will receive a credit on their account. Credit balances will be sent as a refund, either through direct deposit to your bank account or a check mailed to your mailing address as listed on TUportal.

To set up direct deposit:

- Log in to TUportal.
- Click TUpay under the 'Costs and Aid' tab.
- Click 'Student Choice Refunds.'
- Click 'Manage my student choice refund method.'
- Click add bank information.

Direct Deposit is the fastest and most secure way to receive a refund.

SPECIAL NOTE TO STUDENTS ENROLLED LESS THAN FULL-TIME STATUS

Your financial aid is based on full-time enrollment. If you are not enrolled full-time before the end of the add/drop period, there may be a delay in disbursement for certain types of aid, such as the Parent Loan for Undergraduate students, Graduate Plus loan, a private alternative loan, a PA state grant, or scholarship funding. These forms of aid will not be adjusted and disbursed until after the add/drop period for the university is complete. If you receive a refund from a credit balance and add a course after the refund has been released, you may owe the refund back to the university.

2024-2025 FAFSA

Available October 1, 2023

The 2024-2025 Free Application for Federal Student Aid (FAFSA) will be available October 1st, 2023. The 2024-2025 academic year begins with the Fall 2024 semester. Families must use their 2022 federal tax information for the 2024-25 FAFSA.

HOW DO I APPLY FOR SUMMER 2023 AID?

At Temple University, the academic year begins with the fall semester, followed by the spring semester, and ends with summer sessions. The summer is considered a “trailer” for the majority of undergraduate and graduate programs at the University.

Students enrolled for the summer session(s) that have the 2023-2024 FAFSA on file with Temple University will be reviewed for all forms of available financial aid. Summer financial aid is limited and will be awarded to students on a first come first processed basis.

If a student has any of the subsidized or unsubsidized loan funding remaining within the annual limit, this can be utilized in the summer semesters if a student meets the half-time status enrollment requirement. The federal Parent Loan for Undergraduate Student (PLUS) (which also requires at least half-time enrollment) and private student loan funding are options for assistance with summer courses. SFS recommends students looking to take summer courses or utilize summer work study meet with an SFS counselor to discuss their options.

CHANGE IN FINANCIAL CIRCUMSTANCES

Students and families who have experienced significant change in financial circumstances should review the Change in Financial Circumstances section of <https://sfs.temple.edu/policies/change-financial-circumstances>. This section lists circumstances that may be approved for an appeal, instructions on how to appeal, and the deadline to appeal for the academic year.

You must reapply for Financial Aid each year.

SUBMIT ALL APPLICATIONS AND ADDITIONAL DOCUMENTATION

Student Financial Services will send an e-mail notification when the 2024-25 FAFSA submission process opens up October 1st. Students, it is crucial you check any e-mail notification you receive from SFS, as e-mail is the main way to contact you. E-mail notification will go to a student's TU mail account.

Students should also receive an email message from the U.S. Department of Education explaining how to complete the 2024-2025 Free Application for Federal Student Aid online at <https://studentaid.gov>. Submit your FAFSA early to ensure that you will be considered for all aid programs and to allow enough time for the Department of Education to transfer your FAFSA to Temple.

You may have additional requirements you will need to complete in order for you FAFSA to be processed by SFS. Any requirements or additional documentation needed to process your FAFSA will be located under the SFS section of the Costs and Aid tab of TUportal.

HOW MIGHT MY FINANCIAL AID CHANGE?

Changes or updates to the factors below could result in changes from your financial aid offer from one academic year to another:

- Your family's financial circumstances, number of family members, and number of siblings enrolled in college.
- The federal aid programs and regulations
- Federal, state, and institutional funding for aid programs
- Students submit the appropriate application materials by the required deadlines.
- Accurate information (income, assets, etc.) on the FAFSA or any required forms for federal verification.
- Students must maintain Satisfactory Academic Progress. For more information on Temple University's Satisfactory Academic Progress standards, please visit <https://sfs.temple.edu/policies>.

AID FROM OTHER SOURCES

If you received aid from other sources, such as departmental awards or private scholarships, educate yourself about the application requirements and deadlines for those programs. To find out about reapplying for these programs, contact the organization that awarded the funds to you.
